Serious inquiries are welcome. info@murphy.se

All puppies from LAVA's first litter has already proven themselves in the ring. They all have several CAC & they are all BOB-winners.

One of the boys has earned the title Spanish Junior Champion and has an Intermediate SBIS-placement in Sweden.

Another of the boys has several Group placements and shortlistings at Allbreed KC-shows, and won SBIS in Norway only 15 months old!

As a group, the siblings have competed against the elite of breeders groups in Sweden,

currently placing LEX MURPHY as #2 Breeder of the Year (all breeds).

The group has been praised by top judges from all over the world for their excellent type,

homogeneity, temperament and over all high quality!

♥ They truly have a bright future, and we can't wait to see them in coursing, agility and other sports! ♥

We expect LAVA's exceptional temperament to be inherited by her second and last litter, sired by Lucky;

Multi W Multi Ch Lucky del Borgo di Pratica Anharbn. Promises can never be made, but we have high hopes for this litter!
